

Women in Sport TCS London Marathon Terms & Conditions

By applying for a charity place with Women in Sport (WiS) for the 2027 TCS London Marathon, you agree to the following terms and conditions:

1. Application & Selection

- a. Places are awarded based on a competitive application process.
- b. If you are successful in securing a place through the application process, you will need to **pay a non-refundable and non-transferable registration fee of £100 (plus VAT), within five days**. This registration fee cannot be used towards your minimum fundraising target. If you have not paid within five days, we will assume you no longer want a charity place with WiS and you will risk losing your place.
- c. If you are successful in securing a charity place with WiS, we have legitimate interest to contact you in relation to the London Marathon 2027, to share information about the charity, logistics and administration throughout your marathon journey with us.
- d. You understand that your registration data will be shared with the TCS London Marathon and their entry platform ("Lets do This") to provide race day information to you as a participant. This will be processed in accordance with their privacy policies. Please refer to the TCS London Marathon's website for information about their privacy policy.

2. Fundraising Commitment

- a. You agree this is a fundraising event and pledge to raise **a minimum fundraising target of £3,000, excluding gift aid, paid no later than the 24th May 2027**. You can only use your charity place to fundraise for WiS. London Marathon charity places come at a financial cost to WiS and therefore failure to raise this minimum target for the charity will result in a financial loss to WiS.
- b. By accepting a charity place, you understand that WiS has the **right (in its absolute discretion) to withdraw your place** at any time if they consider that you are not committed to raising the minimum fundraising target of £3,000.
- c. When confirming your charity place with WiS, you agree to meet the following fundraising terms:
 - i. You agree to raise **a minimum of £1,000 towards your fundraising target by Friday 29 January**.
 - ii. You agree to raise a **minimum of £1,950 of your fundraising target by Thursday 18 March**.
- d. Donations made will be unrestricted so that WiS can direct your fundraising where the needs are greatest. Please contact the team if you have any further questions.
- e. Donations must be collected via approved platforms (JustGiving, Enthuse) or with approval from WiS, paid directly into our bank account.
- f. WiS will not cover personal expenses incurred by fundraising activities.

- g. Where possible, you should explore employer matched funding and notify WiS if applicable. The matched funding should not form your minimum target of £3,000 but exceed it.

3. Completion of the Event

- a. If the London Marathon is postponed or cancelled for any reason, either by London Marathon Events or on the advice or instruction of the UK Government, we will adhere to any guidance set out by either party. We are committed to keep runners informed and updated throughout their marathon journey.
- b. On race day, if you start the run but are unable to finish, this counts as using your WiS charity place for that marathon year. If you would like to run in a subsequent year to complete your marathon, you will be required to formally reapply to receive another place.
- c. You must be 18 years old or over on the day of the race.
- d. If you wish to withdraw after accepting a place, you must notify WiS as soon as possible.
- e. If withdrawing **after January**, you are expected to have raised at least **one third of the fundraising target** unless due to extenuating circumstances.
- f. WiS reserves the right to keep any money raised prior to your withdrawal.

4. Deferrals

- a. All charity place deferrals are at WiS absolute discretion and are not guaranteed.
- b. If you are unable to commit to your charity place, due to injury or sickness, and would like to defer your place, please contact us at info@womeninsport.org as soon as possible to discuss deferring. Retaining your charity place will be treated on a case-by-case basis.

5. Safety and fitness

- a. It is your responsibility to ensure that you are fit enough to participate in a marathon, and we encourage you to inform the London Marathon Events of any pre-existing medical conditions that may affect your participation. If you are unsure about this in any way, you should seek medical advice.
- b. WiS is not responsible for any injury or illness that you may sustain as a result of your participation in the event.
- c. You acknowledge and understand that the event may be potentially hazardous and that participation in any event is at your own risk. Your safety is of absolute importance to us. Make sure you follow all safety instructions and training procedures when taking part in events.

6. Event Participation

- a. Runners agree to represent WiS appropriately, wearing WiS branded kit on race day.
- b. Any independent sponsorship deals must be approved by WiS

7. Use of Fundraising Materials & Data

- a. You agree that by running for WiS, you consent to the charity using photos, videos or quotes from training days and race day to inspire future fundraisers and promote our events and the work of the charity.
- b. Please read the organisers privacy statement carefully as the organisers may also use your image for television and film of the event. We have no control over the organisers use of your information and image as it will be in accordance with their privacy statement.
- c. You agree to inform WiS of any changes to the information supplied in your original application as soon as such changes occur.
